

Mental Health Clinician

\$90,000 - \$110,000 a year - Full-time, Part-time opportunities also available

Exciting opportunity to join a clinician owned psychotherapy group private practice!

We are seeking clinicians who are longing to be part of a clinical team that is supportive and encouraging of professional growth and development. We are currently seeking clinicians who are passionate and motivated to work with children, teens and adults.

We believe in people and supporting our clinicians in their work. We strive to match and find a "best fit" for clients and clinician. All prospective clients are screened by a clinician before an initial appointment is made.

We offer the opportunity to meet clients in person, through telehealth, or hybrid. Brand new office space! We take care of all of the referrals, insurance credentialing, claims, client copays and administrative work...you see your clients. Bring your ideas and passion!

Full time salary opportunity \$90,000+ depending on number of clients seen. You will be a W2 employee, with company contributions towards your taxes and no need to worry about quarterly independent contractor taxes. Strong rates of reimbursement to maximize your income. No need to wait for insurance reimbursements to come in, clinicians are paid ahead of collections.

Flexible work environment. This position requires evening availability to meet the needs of clients, with weekend availability options.
